

HI RED CLASS!

How are you all?

We are missing you so much; we hope we will all be together again soon. Have you been enjoying the activities we have been planning for you at home?

Don't forget you can share what you have been up to by sending an email to our class account: redclass@abacus.essex.sch.uk. Thank you to those of you who have already sent emails - it always brightens up my day!

The adults in Red Class have been keeping busy at home...

Mrs Bagridge got a new greenhouse for her birthday and has already begun growing some vegetable in it! She is enjoying spending time with her family, especially when they get to play Logo Billionaire together (even her dog likes to join in!)

Mrs Cooper has also been doing some growing. She has sown lots of sunflower seeds which are starting to grow already. Mrs Cooper is enjoying her daily walks, especially when the sun is out and she gets to share her walk with her daughter Jodie.

Mrs White is busy planning exciting activities for you all but is also enjoying spending time at home with her family too. She has been teaching her son how to bake - he's only little so it has been a bit messy so far...lots of fun though! So far they have tried bread, hot cross buns, cakes and cookies. Perhaps you could email some of your favourite recipes for them to try?

Well done to all of your wonderful families who are keeping you safe and teaching you lots of new things. Make sure you look after each other and try to make the most of these extra moments you have together.

Missing you lots,

Love from

Mrs White, Mrs Cooper and Mrs Bagridge
