Test yourself: Ask somebody to say a day of the week in English and see how quickly you can translate it to French.

**Music**

**Task:** To learn the Mummy song

Click here to hear the song and read the lyrics:

Can you make up some actions to the chorus of the song?  
Maybe you could send us a video clip of you performing a section of the song?

**Computing: LO: To use code to change a sprite's costume, make sprites react to input and add sounds to a sprite**

Task: Open your project that you saved from last week. If you completed your project up to 'making a singer,' finish off from here to complete your Scratch project.

## Topic Activities

**Date: 08.06.20**

**Focus: Ancient Egyptians**

**Art: LO: To use colours effectively to a theme**

A silhouette is the dark shape and outline of someone or something visible in restricted light against a brighter background.

Task: To create a pyramid silhouette.  
Create a colourful background using paint, crayons or pencils on a piece of paper. See example on the left. Use black paper, black card or painted black paper for cutting out your pyramids. Stick your cut out pyramids on to your colourful paper.

**History LO: To understand who Tutankhamun was**

Click here to watch a video and read information about Tutankhamun. Watch the video clip and then read the few paragraphs underneath (we will learn more about the discovery of his tomb next week.)

<https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zvmkhhbk>

Think about these questions.

Who was Tutankhamun? How would you describe him as a person? Was he a kind person? Why do you think this?

**Task:** Write some sentences to show what you have learnt about Tutankhamun. Then, draw a picture of Tutankhamun.
