29/6/21

Dear Parents,

I am writing to update you on our arrangements for transition day.

I am pleased to say that we have managed to put together a plan for children to move to their new classes for the day on **Friday 2nd July 2021**.

We feel that transition is extremely important and supports children for a smooth start in September. Things have been made a little more challenging this year, due to some secondary schools cancelling their transition sessions and following the current restrictions that requires the children to stay in their class bubbles and not cross them.

To make things as safe as possible, following the current restrictions, children will go straight to their new classrooms on Friday morning (this will be their current start times) and will spend the whole day in their new class. They will not go to their current classrooms at all on Friday and will also leave from their new classrooms.

During the school day on Thursday, class teachers will take their current classes on a walk and to show them where they will enter the classroom on the following morning.

I am sure we will all have a great day.

Yours sincerely
Mrs Blakeley
