

We will be following the Year 4 White Rose Home Learning for maths. Lessons 3 and 4 will be starting from 'Week 11 (w/c 6th July)'. Click this link

<https://whiterosemaths.com/homelearning/year-4/> to access all the videos you will need for this week's lessons. Worksheets and answers are available as pdf links in the document 'Maths Year 4- 13.07.20 - White Rose Worksheets and Answers' on the Abacus Year 4 Home Learning page. Click on each link for the pdf.

Lesson 3 - Triangles.

Watch the video

<https://whiterosemaths.com/homelearning/year-4/> from 'Week 11 (w/c 6th July)' lesson 3 and complete the worksheet - view by clicking on link in the other pdf. Afterwards, go through the answers. Not compulsory at all, but to let you know the BBC Bitesize website also has supporting learning material for this lesson. Visit <https://www.bbc.co.uk/bitesize/articles/zcktjsg>. If you would like to have a go at more questions, 'Activity 1' is worth a look at.

Lesson 4 - Quadrilaterals.

Watch the video <https://whiterosemaths.com/homelearning/year-4/> from 'Week 11 (w/c 6th July)' lesson 4 and complete the worksheet - view by clicking on link in the other pdf. Afterwards, go through the answers. Not compulsory at all, but to let you know the BBC Bitesize website also has supporting learning material for this lesson. Visit <https://www.bbc.co.uk/bitesize/articles/ztn9vwx>. If you would like to have a go at more questions, 'Activities 2 and 3' are worth a look at.

Lesson 1 - Identify angles.

Watch the video

<https://whiterosemaths.com/homelearning/year-4/> from 'Week 11 (w/c 6th July)' lesson 1 and complete the worksheet - view by clicking on link in the other pdf. Afterwards, go through the answers. Not compulsory at all, but to let you know the BBC Bitesize website also has supporting learning material for this lesson. Visit <https://www.bbc.co.uk/bitesize/articles/zy3jcmn>. If you would like to have a go at more questions, 'Activity 1' is worth a look at.

Lesson 2 - Compare and order angles.

Watch the video

<https://whiterosemaths.com/homelearning/year-4/> from 'Week 11 (w/c 6th July)' lesson 2 and complete the worksheet - view by clicking on link in the other pdf. Afterwards, go through the answers. Not compulsory at all, but to let you know the BBC Bitesize website also has supporting learning material for this lesson. Visit <https://www.bbc.co.uk/bitesize/articles/zg4xdp3>. If you would like to have a go at more questions, 'Activity 1' is worth a look at.

Maths Activities

Week Beginning: 13.07.20

Focus: Geometry

Times Tables: Try to use TT

Rockstars and/or other interactive maths games (such as

<https://urbrainy.com/mtc>,

<https://www.topmarks.co.uk/maths-games/hit-the-button>) daily.

Lesson 5 - Geometry Independent Recap.

To consolidate our geometry learning this week, pick an area to focus on from this week (identifying, comparing and ordering angles and classifying triangles and quadrilaterals), find the appropriate section within the worksheets and work your way through the questions. See 'Maths Year 4 - Lesson 5 - Geometry Recap' (see pdf). Answers are provided.
