

Monday - Art

To draw buildings/ architecture in the style of Friedensreich Hundertwasser.

Work your way through the pages on the Monday resources pdf. Complete activity 1.

Either watch

https://www.youtube.com/watch?v=83r04i_yjqE or have a look at different builds in

Wickford using this website

<https://www.wickfordhistory.org.uk/content/category/buildings>. Choose 3-4 Wickford

buildings you would like to redesign in the style of Friedensreich Hundertwasser

Resources: Monday resources pdf, pencil, ruler, paper, either a biro, black felt tip pen or black colouring pencil.

Tuesday - Computing

To create and use a variable.

Follow the Tuesday resources pdf to find out how to get started. Concentrate on making your sprite talk today. Use Google Chrome

<https://projects.raspberrypi.org/en/projects/chatbot/2>. Only complete the 'A Talking Chatbot'.

You can download Scratch 3 using this link

<https://scratch.mit.edu/download> or access it through Google Chrome using this link <http://rpf.io/chatbot-on>.

Wednesday - RE

LO: To learn about different gods and goddesses by exploring the laws of Hindu religious art.

Task- Create a god/goddess based on you. Follow the PDF to find out more.

Resources- Wednesday PDF resources, google images.

Topic Activities

Date: 25.01.21

Our UK- Wickford

Thursday - Science

LO: To write a scientific report.

We hope you have had fun observing your eggsperiment ☺

Task- Today looking at your observations you need to write or video a report of your findings. Follow the PDF to find out more.

Find 2 activities on the PDF slides if you have not been able to complete the experiment.

Resources: Thursday PDF resources, your experiment observations.

Friday - Geography

To create a simple map

Task: Using the information on the Friday resources pdf create a map of your journey to school. If you live outside of Wickford. Pick a road near school and draw a map of how you would get to school. Add on specific features you can see to help people use your map.

Resources: paper, pens/ pencils, Friday resources pdf
