Dear Purple class,

Welcome to this very unusual summer term! Our new topic for this half term is the Greeks, which I hope you'll enjoy as much as we do. There are lots of fun and exciting activities for you to engage with as you continue your learning at home.

It would be really nice for you to share your learning with us via the class email account which if you haven't used yet is purpleclass@abacus.essex.sch.uk

You can send us pictures of work that you are proud of, ask questions if you need help or just to come and say hi and tell us about your day. It is always lovely to see what you have been up to and find out how you are spending your time at home and just knowing that you are all ok.

We're not checking up on what work you are doing but are here to help you through this unusual time in any way we can until we can be together again.

Please come and say hi to us, it'll be lovely to hear from you.

Take care and stay safe.
