

Task 1 Adding decimals (within 1)

<https://whiterosemaths.com/homelearning/year-5/>

Click on summer term week 1 (20.4.20) Lesson 1

Watch the video and then answer the questions on 'Get the Activity'

Feeling confident why not have a go at the challenge questions on slides 7-12.

Task 2 Adding decimals (within 1)

Work through the ppt slides 16-25 answering the questions as you go.

Complete 1 set of questions from the fluency (slides 26-28) and 1 set of questions from the reasoning (slides 27-39). Choose the questions based on how confident you feel.

Maths Activities

w/b: 11.5.20

**Focus: Adding and subtracting
decimals (within 1)**

Task 3 subtracting decimals (within 1)

<https://whiterosemaths.com/homelearning/year-5/>

Click on summer term week 1 (20.4.20) Lesson 2

Watch the video and then answer the questions on 'Get the Activity' slides 41-43

Feeling confident why not have a go at the challenge questions on slides 47-52.

Task 4 subtracting decimals (within 1)

Work through the ppt from slide 54 answering the questions as you go.

Complete 1 set of questions from the fluency (slides 66-68) and 1 set of questions from the reasoning (slides 78-80). Choose the questions based on how confident you feel.

Task 5 Arithmetic

Complete the arithmetic questions from slide 83.

You have 30 minutes to answer the questions.

If you finish check through your answers using the inverse or estimation skills.

Test your knowledge, have a go at the challenges, and see how you get on. Good luck!
