

Farmyard-Themed Addition up to 20

Write down the answers in the circles.

Four farmers + four farmers =

This problem shows four farmers on the left and four farmers on the right, separated by a plus sign. To the right of the equals sign is a large empty circle for the answer.

Five chickens + five chickens =

This problem shows five chickens on the left and five chickens on the right, separated by a plus sign. To the right of the equals sign is a large empty circle for the answer.

Five tractors + two tractors =

This problem shows five tractors on the left and two tractors on the right, separated by a plus sign. To the right of the equals sign is a large empty circle for the answer.

Eight cows + eight cows =

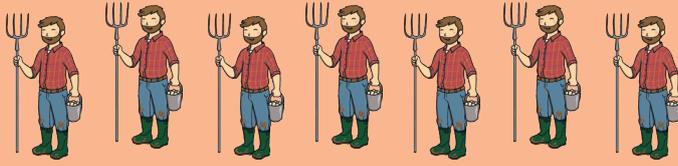

This problem shows eight cows on the left and eight cows on the right, separated by a plus sign. To the right of the equals sign is a large empty circle for the answer.

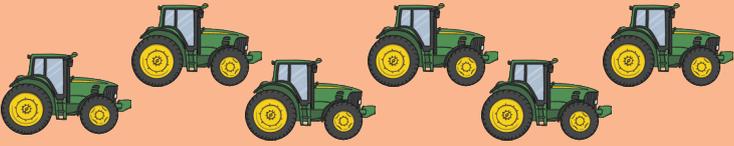

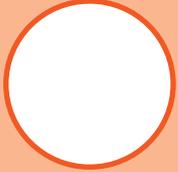

Six lambs + six lambs =

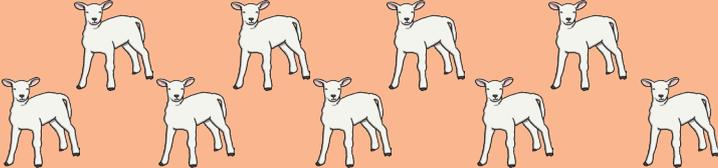

This problem shows six lambs on the left and six lambs on the right, separated by a plus sign. To the right of the equals sign is a large empty circle for the answer.
