Look at the information below, which shows what happened at the end of the Santander Triathlon race. Talk about why you think Diego Mentriga stopped to let fellow competitor, James Teagle, finish ahead of him. Talk about the consequences of each of the choices Diego had.

The end of the Santander Triathlon 2020...

1

British athlete, James Teagle, was on course to win third place in the competition held in Spain, when he made a mistake metres from the finish line.

2

100m before the end of the race, James missed some of the signs and mistakenly ran towards spectators in a fenced area.

3

Diego Mentriga overtook James Teagle and was set to take 3rd place!

4

Diego Mentriga suddenly stopped, just before the finish line and waited for James Teagle to overtake him, allowing him to finish in third place, what Diego said was Teagle's deserved position.

Diego Mentriga and James Teagle congratulate each other after the event.

He was in front of me the whole time.
He deserved it.
